

ARCHIVE, RETAIN, AND PROTECT YOUR HEALTHCARE DATA

ViewMaster offers an easily accessible archive of all data to satisfy record retention and reporting requirements while maintaining security, privacy, and compliance.

Why so many healthcare organizations choose this web-based, transaction viewing tool.

- Central, searchable archive
- Print-ready reports for audits
- Encrypted and secure
- HIPAA and HITRUST compliant
- Satisfies requirements from Board of Pharmacy, CMS, DEA, and more
- No ongoing maintenance fees
- Ability to store multiple image types
- Intuitive user interface (virtually no training required!)
- Search across multiple stores
- Storage of documents, images, and data
